

The American Nurse

***Exclusive Screening at
Parisian 20 on Monday
January 26 at 7:00 pm.***

The American Nurse is a heart-warming documentary that gives a voice to nurses who are on the front lines of the biggest issues facing America - aging, war, poverty, prisons - through the work and lives of five nurses. It is an examination of real people that will change how we think about nurses and how we wrestle with the challenges of healing America. *The American Nurse* is an important contribution to America's ongoing conversation about what it means to care.

Nurses who see the documentary can earn 1.5 hours of free CNE, for a limited time, courtesy of Nurse.com.

A portion of the proceeds from The American Nurse Project have been earmarked to a new scholarship program under the auspices of the American Nurses Foundation.
